

## **SRI SAIRAM ENGINEERING COLLEGE, CHENNAI (IC201811156)**

### **A National Level Symposium AIRO 5.0 Report**

<b>Objective</b>	<b>Benefits</b>
To promote innovation and knowledge sharing in AI & Data Science through engaging events and competitions at a national level.	Participants gain insights into cutting-edge AI technologies, network with industry experts, enhance problem-solving skills, and showcase their talents through competitions.

**Date: 12.09.2025**

**Venue: Apple Hall**

**Duration: 9:00 AM – 4:00 PM**

**Introduction:**

#### **AIRO 5.0: A National Level Symposium**

AIRO 5.0, a National Level Symposium hosted by the Department of AI & DS at Sri Sairam Engineering College, featured a variety of engaging events focused on AI and Data Science. Participants competed in 6 different events, including Glitch in the Multiverse (a coding challenge), Webverse Interface (UI/UX Design), Multiverse Pitch (Idea Pitching), CTF: Across Dimensions (Capture the Flag), Web of Creativity (Promo Design), Spidey Bot (Chatbot

Challenge). The symposium fostered skill enhancement and collaboration through these competitions and expert sessions.

### **Guest Speakers Details:**

The guest speakers for the AIRO 5.0 National Level Symposium included prominent figures such as Dr. Swagata Sarkar, Head of the Department of Artificial Intelligence and Data Science at Sri Sairam Engineering College, who delivered the welcome address, and Dr. R. Palaniyandi, Director of Quality Monitoring and Retired IAS Officer, who gave the inaugural address. The Chief Guest of the event was Ms. Annapurani Vaidyanathan, Senior Lead of Sales Analytics and Reporting, International Sales CoE, TransUnion. The valedictory address was delivered by Ms. Shrinithi G. R, Software Developer at Accenture, Perungalattur. Other notable speakers included Mr. Adarsh Velmurugan, AI Engineer at Noble, Mr. S. C. Sudharsan, Senior Software Engineer at HCL Tech, Navalur, Mr. Krithik Raghav V, AR/VR Developer from Ambattur, Chennai, and Mr. Mohamed Suhail Y, Assistant System Engineer at Tata Consultancy Services.

### **Key highlights of the session:**

The AIRO 5.0 symposium focuses on cutting-edge AI and Data Science innovations, offering hands-on events like coding challenge, UI/UX Design, Idea Pitching, Capture the Flag, Promo Design, Chatbot Challenge and a Panel Discussion. Participants will engage in competitions and knowledge-sharing activities with prize amount.

### **Winners and Awards**

#### **1) Glitch in the Multiverse**

**1<sup>st</sup> Place:** AURA SQUAD ( DHANUSH KUMAR A , MOHAN KUMAR S)

**2<sup>nd</sup> Place:** NULL POINTERS ( ANISH D, HARISH A)

**3<sup>rd</sup> place:** TEAM POWERHOUSE ( RAVINDHAR G, SACHIN D)

#### **2) Webverse Interface**

**1<sup>st</sup> Place:** THE ESPADA ( GENIUS JOELRAJ , HARIHARAN B P)

**2<sup>nd</sup> Place:** SEVENTEEN ( SWETHA NIVASINI B R , MAHAGAURI P , PRANEYA A)

**3<sup>rd</sup> place:** LIGHTNING, THE RAIN TRANSFORMED (ASWIN M , MICHAEL KEVIN J )

### 3) Multiverse Pitch

**1<sup>st</sup> Place:** TECHNOSPEAKS ( INTHURI KIRTHANA , AVINASH P , KARISHMA )

**2<sup>nd</sup> Place:** HASH FORCE ( DIXUN DEVOTTA S , SANTHOSH V , SAHANA THASNEEM )

**3<sup>rd</sup> place:** DYNAMITE ( ROSHNI A , MOHAMMED ABRAAK , ALI A M , RAJIV GANDHI )

### 4) CTF: Across Dimensions

**1<sup>st</sup> Place:** C1CC4D0 (SABARISH , PRAJIT , PRADEESH , GIRIDHARA )

**2<sup>nd</sup> Place:** H4CK\_077 ( HEMANTH KUMAR B , DILIP KUMAR V , AKASH V I , ABISHEK R )

**3<sup>rd</sup> place:** THE\_K3RNEL\_KINGS ( KALAISELVAN G , T.S VISHNU , KAVEN P S )

### 5) Web of Creativity

**1<sup>st</sup> Place:** YVL ( UMAR MOHAMMAD , PUGAZH )

**2<sup>nd</sup> Place:** FAUX FOXES ( SAJETHA , HARI PRIYA )

**3<sup>rd</sup> place:** LOGICAL THINKERS ( PRASANTH , PAVANPRASHANTH )

### 6) Spidey Bot

**1<sup>st</sup> Place:** KICK STARTERS ( MOHAMMED SADIQ K , GANESH KUMAR J )

**2<sup>nd</sup> Place:** COGNI CREW ( VIYUKA S S , NANDHINI N , VISHRUTHI K V )

**3<sup>rd</sup> place:** TEAM SHINCHAN ( RAGHURAM L , NANDHAKISHORE A )

### Conclusion:

AIRO 5.0 has successfully fostered knowledge exchange and innovation, paving the way for future advancements in AI and Data Science.

### Acknowledgments:

Thank you for your exceptional guidance

### Feedback:

The participants left feeling satisfied, enriched with valuable insights gained from the event.
